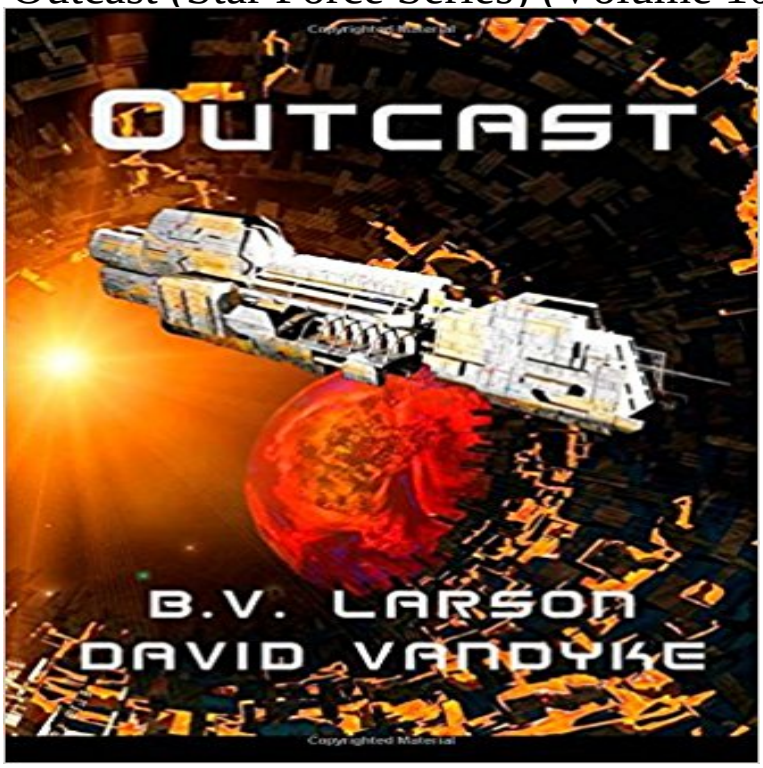
Outcast (Star Force Series) (Volume 10)



Star Force is called to arms again! Many peaceful years have passed since the Macro Wars ended. Most of those who fought against the heartless machines have agedbut not the ingenious artificial construct known as Marvin. His insatiable curiosity is as strong as ever, and hes brought home fresh perils to humanitys doorstep. The new Saga in the Star Force universe begins with OUTCAST, the longest book in the series. A full length novel of military science fiction by bestselling authors B. V. Larson and David VanDyke.
