

Dandelion: I seek solace beneath these words and beneath these words I mend this aching heart.

Dandelion: I seek solace beneath these words and beneath these words I mend this aching heart.

Dandelion is a series of heartbreak scabbled into words. Words with the power to heal ones aching heart. Words with the power to walk down the memory lane. Words with the power to overcome heartbreak as heartbreak is a tradition. A deadly tradition where your heart will die, and you are scarred for life. Dandelion is a way to reassemble the broken pieces, to relieve the dead heart and to heal those scars and also a way to start embracing life.
