

## Nightmares of the Queen: Book Two of the Brajj (Volume 2)

Deceived...Betrayed...Trapped... Dr. Cass Baros discovered the truth of her dreams when she opened the wormhole. Though it cost her more than she imagined, it also gave her the love she had been searching for with the Brajj, Jeamon. Meanwhile, as Jeamon continues to fight for his people's survival, he remains unaware of who she has become. Their love will be tested by betrayal and deceit. The mysteries of the Brajj revealed, Captain Lewis and his remaining soldiers returned home with heavy hearts only to find more treachery. Lewis' strength will be tested. And Tamat--who wields the greatest power in the multiverse--needs their help. Cass, Jeamon, Lewis and Tamat are all trapped by circumstances beyond their control, created by their choices. Each wants more than they have. Each has their part to play in the game of... Ultimate Power or True Love?
