

A Gangsters Dream

Trust is a word seldom used by Carmelo Love. In a business where it is hard to distinguish friend from foe, Carmelo finds himself facing deception and dishonesty from those who were once closest to him. The fear of death lurks around every corner and Carmelo's life is in constant danger! While trying to stay alive and maintain control over what took him years to build, he meets Dream. Dream is a breath of fresh air in Carmelo's grimy and perilous world. She comes from a different walk of life and brings something refreshing to the table. It is true that every thug needs a lady, but can Dream be the one who balances out Carmelo's hectic life?
