

## A Howl at Midnight

This is a fun and funny mystery for Young Readers, narrated from a canine point of view, written with a love of animals and their special quirks. After a few tough years, Taser finally has a safe home and a loving master in an expensive Scottsdale, Arizona neighborhood. When a woman is murdered on his street, this Black Labrador suddenly faces the loss of everything he's struggled a lifetime to gain. Taser must find the killer or return to the harsh world of the county dog pound. He's aided by his buddy, Meatloaf, and a colorful pack of neighborhood dogs. They struggle with their limited human vocabulary and their fractured knowledge of the world. Other obstacles include new alpha dog rivals, old deadly enemies, and a menacing coyote population from the adjacent Arizona desert. In the end, Taser must decide how much he will risk to save his world.
