More people than ever are eating a whole-food, plant-based diet. Studies show that it is better for our bodies and better for the planet but it isn't always easy. Let *A Plant-Based Life* be your guide. Whether you're taking your first steps on this path to wellness or recommitting yourself to success, author Micaela Cook Karlsen clearly maps the way. Break old food addictions and establish new habits. Translate favorite recipes to create delicious, nourishing meals. Reshape your food environment (at home, at work, and on the go) to make healthy eating a no-brainer. Cultivate relationships that celebrate and support your new lifestyle. Especially valuable are directions for navigating roadblocks. Here you'll find strategies for getting family members on board and for allaying friends' concerns about your food choices with evidence-based nutrition information. Shopping tips, pantry lists, menu plans, and more than 100 mouth-watering recipes are all included. If your goal is a healthier, more energized, exuberant life, make this book your personal GPS. The journey will be more satisfying than you ever imagined.
