A VITAL YOUNG VOICE IN THE GARDENING SCENE teaches a new generation of Southerners to love gardening and to make it a focal point of their lifestyle. James Farmer III teaches respect for the age-old rules of flower and vegetable gardening in the Deep South (e.g., May is the time for pruning), in a fresh voice that resonates love of life and entertaining at home. Also included are delicious recipes for seasonal meals, as well as suggestions for floral arrangements and centerpieces created from the garden.
