

AlterWorld (Play to Live)

A new pandemic?the perma effect?has taken over Earth of the near future. Whenever you play your favorite online game, beware: your mind might merge with the virtual world and dump its comatose host. Woe be to those stuck forever in Tetris! And still theyre the lucky ones compared to those burning alive eternally within the scorched hulls of tank simulators. But some unfortunates?the handicapped and the terminally ill, shell-shocked army vets, wronged crime victims and other society misfits?choose to flee real life willingly, escaping to the limitless world of online sword and sorcery MMORPGs. Once a seasoned gamer and now a terminal cancer patient, Max grasps at this final chance to preserve his life and identity. So he goes for it?goes for the promise of immortality shared with a few trusty friends and the woman he loves. Together they roam the roads of AlterWorld and sample its agony and ecstasy born of absolute freedom.
