

## America On Fire: 4 Stories of Disaster in the USA

Four complete stories of apocalyptic disasters that befall the citizens of the United States by one of Americas most popular apocalyptic fiction writers. Read how some Americans rise up to meet the challenges and fight to survive when disaster strikes. In Finding Hope a deadly pandemic sweeps the globe resulting in the deaths of a large amount of the world population. One man finds a purpose to his life when he finds and befriends a little girl. In Three Strikes And Youre Out America three nuclear EMP missiles explode high above the United States it causes extreme devastation by taking out the whole electric grid and all electronics. In An Economic Firestorm the economic collapse of the US Dollar and the economy of the USA are lived through by a family in rural Arizona. In Thar She Blows see what happens to a few groups of people when the Yellowstone Caldera erupts and devastates a huge portion of the United States.
