

AMP The Core

-----The
inside of
knowledge.....
-----The seventh book in the exciting AMP series! The Duke has been captured. As he is questioned and probed, the origins of the Human species begin to be revealed. The Grid has been taken. Can Man's home for the last thousand years be saved? Don Grange and the rest of the Humans must try! Also available from this author: SODIUM Series A six-book series that takes Man from his first encounter with aliens all the way to a fight for our all-out survival. Do we have what it takes to rule the galaxy? AMP Series Cast a thousand years into the future beyond SODIUM. This eight-book series chronicles the struggles of Don Grange, a simple package deliveryman, who is thrust into an unimaginable role in the fight against our enemies. Can we win peace and freedom after a thousand years of war? OMEGA Series Cast a thousand years into the future beyond AMP. The Alliance is crumbling. When corruption and politics threaten to throw the allied galaxies into chaos, Knog Butcher gets caught in the middle. Follow along as our hero is thrust into roles that he never expected or sought. Espionage, intrigue, political assassinations, rebellions and full-on revolutions, they are all coming to Knog Butcher's world! HADRON Series HADRON is a modern day story unrelated to the SODIUM-AMP-OMEGA trilogy series. After scientists using the Large Hadron Collider discover dark matter, the world is plunged into chaos. Massive waves of electromagnetic interference take out all grid power and forms of communication the world over. Cities go dark, food and water supplies are quickly used up, and marauders rule the highways. One group of citizens takes a stand. Can they make a difference? And the devastating EM waves, where are they

coming from? After months of starvation, a benevolent species arrive in their spaceships to rescue the Human race. Only, are they really so benevolent?- Join the email list at comments@arsenex.com for release dates...
