

# The Arcadia Seasonal Mural and Cookbook

When Arcadia opened in 1985 the praise was overwhelming - people were smitten by the sumptuous, inventive food prepared by Anne Rosenzweig and the pastoral atmosphere evoked by Paul Daviss 70-foot-long seasonal mural that wraps around the interior of the restaurant. The Arcadia Seasonal Mural and Cookbook is a celebration of that collaboration, and brings to art and food lovers everywhere the pleasures of this superb restaurant. The accordion-fold book includes Paul Daviss bucolic mural in full, which season by season unfolds a country life of bosks and lakes, of nature in perfect harmony. Arcadia chef and co-owner Anne Rosenzweig has created four seasonal menus, each of them offering that sense of warmth, abundance, and bliss of a time wonderfully arcadian.
