

Apocalyptic Fears I: Collected Novels and Novellas: A Multi-Author Box Set

Collected Bestsellers: A Multi-Author Box Set! Thirteen full-length novels or novellas; more than 3000 pages of apocalyptic fiction for a bargain price. This is Volume 1. Look for Volume 2 in the series for more great stories! When the world falls apart, when civilization collapses, when life as we know it ends, our greatest terrors becomes real. Perhaps its nuclear war with its poisonous radiation, hideous plagues or chemical contamination, rogue artificial intelligences controlling killer robots, or zombies that turn our friends and neighbors into inhuman monsters. What can the common man or woman do in the face of apocalyptic fears? Apocalyptic Fears I and II are collections of bestselling, award-winning or just plain exciting stories by some of the best independent authors of today. Mutation Z, Parts 1 and 2 by Marilyn Peake. When Emma Johnson graduates from nursing school, she takes a job in an Ebola treatment camp inside Liberia, West Africa. There, she uncovers a secret about this facility: a biological horror soon to be unleashed upon the world. The Singularity: Heretic by David Beers. In a dystopian world where humans must meet specifications to continue living, a man named Caesar emerges, thinking things no human should. All eyes fall on him, eyes that could kill him or lift him up, lead him to tragedy or revolution. Feudal Land by Lisa Grace. When their school bus grinds to a halt from an EMP blast, Cam McGee, daughter of a doomsday prepper and Jaren, a foster teen she barely knows, head to an enclave deep in the Carolina Mountains. Surviving the Evacuation: London by Frank Tayell. Nowhere is safe from the undead. Anarchy and civil war grip Britain. Bill Wright is trapped, alone, running out of food and water. Annihilation: The Seamus Chronicles, Book 1 by K. D. McAdams. Teen genius Seamus Robinson and his family survived

the fast-moving virus killing off the human race. Brains will be as important as brawn if they are to survive a post-apocalyptic cross-country road trip. **CONTAIN: A BUNKER 12** Novel by Saul Tanpepper. The Flense spreads with ruthless speed and stealth. The infected are turned into soulless creatures which wreak destruction upon anyone and anything in their path. **The Fall of America: Premonition of Death** by W. R. Benton. It started with the biggest stock market crash in history. Soon, a devastated America comes under new siege--invading Russian troops. **Dark Apocalypse** by C. J. Anderson. Lauren Vasquez wakes up one morning in an underground bunker to discover the destruction of Earth, and a homicidal artificial intelligence is choosing who lives and who dies. **Portal Arcane, Reversion: The Inevitable Horror** by J. Thorn. With a noose around his neck, Samuel must outrun the ominous cloud eating away at his world before it collapses upon itself. **Dancing with Darwin** by Chris Northern. A plague of Insanity is enough to bring civilization crashing to the ground, but the crazy-bug is only the start of humanity's problems. **Primal Shift** by Griffin Hayes. Something is affecting our minds, our sanity. Could it be a terrorist attack? The ultimate virus? Or an experiment gone horribly wrong? **Nano Contestant, Parts 1 and 2** by Leif Sterling. In 2114, Pinnacle Corporation, the world's largest tech company, hosts the Tech Games to showcase the world's latest technology. The contestants must battle it out in 11 brutal games! **The Wasteland Soldier, Book 1, A Fractured World** by Laurence Moore. In a future world devoid of medicine, is the ability to heal a gift ... or a curse?
