

A2 Level Chemistry for AQA Student Book (Advanced Level Chemistry for AQA)

This text is written to match exactly the specification for teaching Advanced Chemistry from September 2000. There are two strands, AS and A2. The AS book is designed to meet the level required of the Advanced Secondary qualification, the A2 book helps students tackle the greater challenges of the A2 year. The accompanying resource packs have photocopiable question sheets linked to the books. These provide extra support, practice and extension questions for homework assignments, revision, and key skill development. The resource pack content is also available on customizable CD-ROM, with artwork from the books that can be projected on OHTs.
