

Beginners Illustrated Guide to Gardening: Techniques to Help You Get Started

Beginners Illustrated Guide to Gardening is a one-stop, easy to understand, beautifully designed book with step-by-step instructions and photographs for every important gardening and landscaping technique. New homeowners with no prior knowledge of landscape care will learn how to turn their yards from weedy, overgrown patches to gorgeous landscapes that are the envy of their neighbors. Young gardeners or new gardeners will learn - the right way - how to take care of everything from perennials to shrubs to their vegetable gardens, ensuring success the first time around. This is the one book that every gardener should have on their bookshelf.
