

Betty Groff's Up Home Down Home Cookbook

In this 204 page book Betty Groff (well-known Lancaster County, Pennsylvania chef) takes you on a new adventure into the world of country cooking, where recipes like the ones Grandma used to make have been updated to satisfy America's desire for lighter foods and more delicate seasonings - without losing that down-home country flavor. Her classically simple cooking techniques, coupled with a love of fresh, natural ingredients deliciously prepared in minutes, are more popular today than ever before. Many of her recipes are featured at the internationally acclaimed Groff's Farm Restaurant, as well as the Groff's popular Cameron Estate Inn, that are situated in the heart of Pennsylvania Dutch Country.
