

## Cloud Dust (Rd)

I got out five years ago. Untalented, they said. In other words, they didnt know what to do with me, and murder usually leaves a mess. I understood messes. Saw too many of them in my dreams. Thats why I live where I do, still in their shadow but outside their walls. The conditions, of course, are that I have to move every five years, check in now and then and never, ever, talk about them to anyone. It was time to move. Cloud Dust is a secret, government program, in which ninety-five per cent of the volunteers are dead. Meet the one who didnt volunteer
