

Big Book of Buds Greatest Hits: Marijuana Varieties from the Worlds Best Breeders

The Big Book of Buds series is the most respected guide to marijuana strains. Now Ed Rosenthal selects the very best from these four volumes 95 varieties from 26 seed companies for his Big Book of Buds Greatest Hits. All strains chosen are recognized worldwide for their contribution to the diversity of an amazing plant. Pulled from the dizzying array of over 400 strains, here are the varieties that continue to be planted crop after crop. These greatest hits range from true Kushes to Skunks, Diesels, Citrus and Sour selections. They are the quintessential strains that laid the foundation for a new era of legal marijuana. Big Book of Buds Greatest Hits will help you to choose and identify the strains that work best for different tastes and growing situations. Consumers will find information about the sensory qualities, the aroma and the high. For gardeners and breeders every strain review covers cultivation preferences, yield, and genetic parentage. Stunning close-up photographs put you right into the garden. This overview of award-winning marijuana strains includes timeless information for both growers and connoisseurs.
