Gleanings of natural history, exhibiting figures of quadrupedes, birds, plants, etc. Most of which have not, till now, been either figured or ... subjects, designed, engraved, and Volume 2

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1760 edition. Excerpt: ...for me to publiih qui me les a envoyes a Londres, pour en pub the figures and natural history of them. lier les destains et f histoire naturelle. Je The imall Bird I take to be the Pine-crois que le petit Oiseau est le Grimpereau de Creeper of Cateiby, vol. I. pa. 6i, though pin de Catesty, quoique mon Oiseau foit my Bird is of a brighter colour: his might dune couleur plus claire. Le sien pouvoit be a cock of the first year: the principal etre un male dans fa premiere annee. La difference between them is, that the wings principale difference de lun a lautre, cest and tail in his were brown, where they que le sien avoit les ailes et la queue brunes, are grey in mine: he fays, the hens are all et que le mien les a gris defer tirant sur le brown; and that they are seen on leaflefs bleu. Cei auteur dit que les femelles font toute trees in the winter fearching for food. brunes, et quen voit ces Oiseaux en hiver sur Mr. Bartram fays, they arrive in Pensyl-des arbres Jans feuilles y chercher a manger. vania from the south in April, and seed M. Bartram dit quils arrivent de devers le upon the insects they find on the leaves and sud en Pensyhanie au mois dAvril j quils buds of trees, and continue with them the se nourrissent dinsecles quils trouvent sur les greatest part of the sommer; and he be-feuilles et les bourgeons des arbres, et quils y lieves they breed there, though he never demeurent presque tout lete: il croit quils y found any of their nests. According to nichent, quoiquil nait jamais trouve de leurs Cateiby, it can bear the winters in Carolina, nids. Selon Catejby, ils peuvent supporter which is farther south than Pennsylvania. lhiver en...
