

Blue Plague: Rage (Blue Plague Book 4)

The zombies killed the love of his life. Now he will make the world pay. He promised to keep his family safe, but in spite of the best armament in the world, battle-hardened allies, and his own brilliant strategy, his greatest love is dead, and it has pushed him over the edge. He goes on a rampage, destroying blues and marauders alike. The Infected are smart and fast. They can heal. But Bruce has become Death itself.
