

Star Wanderers: Deliverance (Part VIII) (Volume 8)

SHE NEVER TOOK A CHANCE AND HE NEVER HAD A PLAN UNTIL THEY MET IN THE OUTWORLD STARS.

Lucca Tadjashvili isn't a typical star wanderer. The youngest son of a wealthy planetborn family, he took out his inheritance early in order to build his own starship and seek his fortune on the Outworld frontier. The starfaring life suits him well, and he has no plans to settle down. All of that changes when he picks up a distress signal in the Far Outworlds. A small colony has been taken over by pirates, and Lucca is the only one in a position to help. Among the prisoners is a beautiful young woman whom Lucca decides to rescue. But when the pirates see through his skillful ruse, any escape plan he might have had soon falls completely apart. Mariya isn't the kind of girl who likes to take chances. But when she finds herself stranded on an alien world with her would-be rescuer, that's exactly what she has to do. Lucky for her, Lucca is just the sort of guy who can teach her.
