

Manic Monday: (Dane Monday 1)

Dane Monday Dane Monday deals with weird stuff. Mad scientists, sorcerers, robots, time-travelling cats, cyborgs learning the concept of love, and more. Whether its a death ray, a doomsday ritual, or simply magic gone wrong, Dane Monday is there to stop them. Hes even got a rogues gallery of megalomaniacal villains who want revenge. Armed only with his wits, some reluctant allies, and a satchel full of gadgets, Dane steps forward to save the city of New Avalon. Manic Monday While investigating an abandoned building, Dane encounters the remnants of a magical ritual shortly before the building explodes in spectacular fashion. Narrowly escaping this destruction with his new ally, the aspiring journalist Abby Connors, Dane follows the threads of this mystery while evading a menagerie of homicidal robots, kidnapping thugs, and the wrath of a mad scientist. At the bottom of it all is a scheme to destroy New Avalon involving a century-old architect, a historic hotel, and something not of our world. Can Dane and Abby brave the dangers and the strangeness to save the city of New Avalon? Find out in Manic Monday!

Burning Monday Dane and Abby ride again - in a modified El Camino using experimental rocket boosters! And thats not even the main story! After a brief stint of ghost drag racing, Dane follows a lead which brings him far below the city where he and Abby escape the jaws of death to find a strange device. Before they can find out what it is, the device is stolen by an outlaw motorcycle club who are harboring a violent secret. Meanwhile, their friend Wongs long buried past is coming back to haunt him with an explosive vengeance. In this Dane Monday adventure theres fire, a gigantic beast, mystical martial arts, a long buried past, and howling enemies. Chinatown is ready to burn - can Dane and Abby stop it? Find out in Burning Monday!
