Every womans first love is her father, but who becomes her first love when her father is not in her life or the statement I love you is not spoken often at home from your mother? Whos going to love you? Mya, a young girl growing up in an unstable household, with a father that is incarcerated on and a mother scorned who takes her anger out on her kids. Mya goes through a lot of downs when she falls in love with an older boy Kyle from a nearby neighborhood. From the lack of love from her family and hearing the golden words I love you from Kyle is all she needs to fall for his charm. Kyle a charming, good looking teen knows all the right words to say to make Mya and any other female fall head over heels for him. His mission is to mold Mya into the lady he wants: a blinded, insecure, love sick, and submissive woman.
