

Mosbys Dental Dictionary, 1e

This contemporary, comprehensive glossary includes more than 9,500 terms related to all areas of dentistry; basic, clinical, and behavioral sciences; office management, and commonly used medical terms. Plus, it also includes a companion CD-ROM with a searchable database and audio pronunciations. A full-color format and more than 300 illustrations. Extensive appendices for quick, easy-to-use access to vital information. Synonyms, where applicable. Colored thumb tabs, so you find definitions more quickly.
