

The Dragons Wrath: Shadows in the Flame

The Dragons Wrath: Shadows in the Flame (Volume 3) takes off immediately where Ashes of the Fallen (Volume 2) left off, resuming with Sigurds war and his desire to create and construct a kingdom in the North. As new challenges and old faces both suddenly appear, he finds himself mired in a conflict far beyond his control. Attempting to push through despite the odds, one man attempts to change the fate of thousands. This is Volume Three of a multi-part series and is not a standalone novel.
