

An Addicted Cross-Dresser, Married and a Happy Ending - A True Story

A married couple come to terms with a husband's cross-dressing after he finally reveals his secret to his wife. A true story, fictionalized to protect the guilty and the innocent, about how something as difficult and humiliating as this, can turn into a new way of living that enhances and improves this couple's life. This is not a typical forced fem or sexual tale but one of the love and understanding that a wife has for her husband and the husband for the wife. It reveals how intense, pleasurable, rewarding and frustrating this desire can be, for whatever reason it occurs, in males who cross-dress as women. Enjoy this short 10,500 word, 41 page telling and share it with others as seems appropriate. Learn how, for this couple, cross-dressing is not always a bad thing.
