

High Tide in Tucson: Essays from Now or Never

With the eyes of a scientist and the vision of a poet, Barbara Kingsolver explores her trademark themes of family, community and the natural world. Defiant, funny and courageously honest, *High Tide in Tucson* is an engaging and immensely readable collection from one of the most original voices in contemporary literature. Possessed of an extravagantly gifted narrative voice, Kingsolver blends a fierce and abiding moral vision with benevolent and concise humour. Her medicine is meant for the head, the heart, and the soul. *New York Times Book Review*
