

## Stellar Fox (Castle Federation) (Volume 2)

LEGENDARY AND UNTESTED Captain Kyle Roberts delivered one of the Castle Federations few victories in the early days of the war. Even losing his ship in the process didnt prevent him being elevated as the hero the Stellar Fox his country desperately needed. His status with the public demands a worthy command, and he finds himself on the bridge of the Federations latest supercarrier and headed to the front lines of the war. But the Navy sees his promotion as a public relations stunt. His subordinates and superiors alike question his lack of experience and enemies at the highest level of his own government manoeuvre to destroy him. As the war heats up around him, the Commonwealth may not be the greatest threat to Kyle Roberts or Avalon.
