

Candy Everybody Wants (P.S.)

From the critically acclaimed author of *I Am Not Myself These Days* comes the very odd adventures of a starry-eyed young man from the Midwest seeking fame and fortune in the flamboyant surreality of New York, Los Angeles ... and everywhere in between. Jayson Blocher is tired of worshipping pop culture; he wants to be part of it. So he's off, accompanied by an ever-changing cast of quirky extended family members, on an extremely bumpy journey from rural Wisconsin to a New York escort agency for Broadway chorus boys, to a Hollywood sitcom set. Somewhere out there his destiny awaits along with the discovery of first love, some unusual coincidences, a kidnapping mystery ... and the sobering truth that being America's sweetheart can leave a very sour aftertaste.
