

Nature, Environment and Ecology on CD

This CD contains 122 books relating to Nature, Environment, and Ecology. This includes scientific works, but also works of literature, by such authors as Wordsworth, Frost, Mark Twain (Roughing It), Muir, Thoreau, Emerson, Theodore Roosevelt, and Ernest Seton Thompson. Intended for use with PCs (Windows or Linux) and recent Macs (OS X), our books are in plain-text format, not audio or video. You read them on your computer screen.
