

Casebook in Child and Adolescent Treatment: Cultural and Familial Contexts (Children & Adolescents)

This practical, compelling, and clinically authentic text will help counselors in training work more effectively with children and adolescents from diverse backgrounds. The purpose of this training casebook is to provide students with a comprehensive and in-depth presentation of the treatment process and how change occurs. The book emphasizes the child's experience so that the reader can feel with and understand this young person and the counseling relationship that unfolds.
