

## My Boys Freezer: Freezer Series Part IV

My name is Eddy Mitchell, and my boys an ax murderer. Eddy thought hed overcome the demons that had once controlled him. He thought hed ended the curse of the sinister freezer for good. To his anguish, the evil wouldnt be denied, and the demons have possessed his five-year-old son, Brenton. Never in my wildest dreams did I think it would come to this. My boy. My wonderful Brenton. I never thought hed turn into a bloodthirsty beast. Its a final, cataclysmic ending. Can Eddy save his son from a fate worse than death? Can he save the world from a demon zombie apocalypse? MY BOYS FREEZER...Death is cold.
