

## Championship Btok

Nominated for the 2015 Hugo Award for Best Novelette! The name of the game is Btok. Its how the alien Snakes learn military strategy. Btok is to chess as chess is to rock-paper-scissors. You do not want to tick off Snakes -- especially when aggrieved Snakes may be the least of your worries. This thrilling adventure moves the story of the InterstellarNet forward as only Edward M. Lerner could do it. This special edition includes not only the text of the Hugo-nominated story, but also the expanded version of Championship Btok that forms a key part of Lerner's Canopus Award-winning novel, InterstellarNet: Enigma (which was published by FoxAcre Press in Spring 2015).
