

Childrens Book: Cats (Amazing Pictures Of Animals For Kids)(Beginner Readers eBook Series for age 2-6)

Book for animal lovers in general and CATS lovers in particular. Each page has a picture of a CAT and his name in big letters that young children begin to learn to recognize the word associated with the picture. Older children can begin to hear the name of the CAT and learn the different types. Great for students in kindergarten and first grade to learn to read and pronounce words. The book is written with love!!! Enjoy the book.
