

## The Bear That Fell From The Stars

They have been visiting Earth for centuries. They have taken us at will. But they have just taken the wrong man. Jimmu Kuma Kazaka is a ninja sent to kill a man in feudal Japan. On the night he decides to strike, his life, and his world, are forever changed. Alien scientists from across the cosmos, abduct and place Kazaka in deep storage for centuries. When they revive him with the intent to subject him to extraterrestrial evisceration, the ninja escapes. The shadow warrior then begins to hunt his captors, one by one, leading up to a battle that will shake the galaxy. The Bear That Fell From the Stars A different kind of alien terror. NOTE: This is a Novella of approx. 20,000 words, or about 60 pages. Science Fiction Fantasy and not hard SciFi. Some scenes of graphic violence.
