

Shadowrun Legends: Just Compensation

WASHINGTON IS BURNING! Andy is happy as a shadowrunner wannabe, but when he accidentally gets involved with real runners, the game of Lets Pretend is over. So is his safe corporate life. Andy's half brother, UCAS Army Major Tom Rocquette, has some doubts about what he's involved with too. Why, for example, is he being ordered to mercilessly massacre the Compensation Army, a group that, like him, only seeks justice? Andy and Tom, along with runners Markowitz and Kit, are finding out things that could put many lives in danger and point to a sinister web of dirty politicians, dishonorable officers, and misused tech and magic--a conspiracy that could dismantle the UCAS government! Can Andy and Tom find enough evidence to prove it--and stop it--before the nation's capital is buried under a heap of bloody corpses...?
