

Conceived in Blood

A hundred years after the apocalypse, four survivors are on a collision course. A prodigal daughter will uncover a conspiracy with deadly repercussions. A raider will fight to complete his bloody mission. A grandfather desperate to save his sick granddaughter will do anything to get her medical treatment. A mother will make a horrible choice just to survive. Post-Redaction: Humanity's next chapter will be written in blood. Warning: This book contains violence, swearing and cannibalism
