

## Conjurer: Living the Tale

In Mexico's Yucatan, Ancient Mayan Village Secrets will Change Storytelling Forever. Freelance writer Maureen Connors' journey to find a teller of stories, as in ancient times, puts her on the path of kidnapping thieves. She also comes upon the Conjurer, who relates tales in which listeners live in the stories. Maureen brings the remarkable storyteller back with her to New York City. Major conjuring events take place there and in Chicago and Boston. However, Conjurer is hounded by those who want to control him for personal benefit. Conjurer escapes to Mexico but is nearly destroyed by the harrowing experiences he suffers there. He responds by conjuring a final colossal event in Mexico City. CONJUROR offers intriguing characters, facing unexpected challenges, in exciting locations.
