

Making Cordials and Liqueurs at Home

This 144 page book gives simple step-by-step instructions for making classical, delectable cordials at home, at a considerable savings over commercial brands and with the advantage also, of having no chemical additives. The best reason for making your own is that you can get exactly the variety you want, adjusted to your own taste as to smoothness, sweetness, and flavor. Cordials and liqueurs can be flavored with herbs, spices, fruits, coffee, tea, chocolate, nuts, or flower petals - all represented in this collection of over 75 recipes. Also included are tables of weights, measures, and metric conversions; a glossary, a bibliography and illustrations of equipment and processes.
