

Mercury Poisoning Its Not In Our Heads Anymore: True Stories, Symptoms And Treatments

Mercury Poisoning - Its Rarely Ever Just All In Your Head! Mercury Poisoning affects the health of more people than you may realise. It could even be affecting YOU! This invisible problem turns lives upside down and after writing Autism, Amalgam and Me, various mercury poisoned sufferers contacted me requesting their TRUE stories be told. They were all affected from mercury from their dental amalgam fillings and from thimerosal in vaccines. Frustrated their debilitating symptoms were considered to be ALL in their heads - a phrase familiar with all concerned, they just wanted the truth out there and written in a way anyone could understand. Mercury Poisoning - Its Not In Our Heads Anymore is an informative, amusing and unforgettable piece of non-fiction, which continues the journey of Jodi Shaw, my autistic son and the true stories, symptoms and treatments of other real people. You'll learn - *The symptoms of mercury poisoning are and why they can easily be confused with other illnesses. *Why dentists and doctors have difficulty accepting mercury from amalgam fillings can cause horrendous health issues for some people. *The tests available to identify mercury poisoning. *The SAFE treatments to remove mercury and heavy metals no matter where it is in the body. *Information on Candida and Electrical Sensitivity and how mercury poisoning can affect both. If you're concerned about your health and can't discover the cause of your inexplicable but rapidly increasing symptoms, Mercury Poisoning - Its Not In Your Heads Anymore could open your eyes to what most doctors and dentists will NEVER tell you!
