

Counselling Supervision in Context (Counselling Supervision series)

“The book is written in such a way as to challenge and educate through the use of exercises, scenarios and activities. Something it does rather well... A well-written, practical and informative publication... of value to supervisees, supervisors and all those involved in counsellor and supervisor training - Counselling Psychology Review “This book... argues that the social context is important for the individual client, supervisee and supervisor, as is the context in which the work and supervision are done... it is a clear, well-written and enjoyable book, containing helpful information for both supervisees and supervisors - Transformations, The PCSR Journal There is an increa
