

CourseMate Printed Access Card for Cacioppo/Frebergs Discovering Psychology: The Science of Mind

Interested in a simple way to complement your text and course content with study and practice materials? Cengage Learnings Psychology CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook. Watch student comprehension soar as your class works with the printed textbook and the textbook-specific website. Psychology CourseMate goes beyond the book to deliver what you need, including a virtual psychology lab composed of 19 experiments where students can experience the experiment themselves as the subject and then analyze their results afterward, as if they were the psychologist.
