

Rippers Revenge: Book Two (The Ripper Trilogy 2)

London, 1888 After Jack Morrow boards a steamship to America, the gruesome murders attributed to Jack the Ripper, stop as suddenly as they started. Jack is in pursuit of a cunning and dangerous Master Vampire who he has battled before. With his trusted friend, Helena, a gifted physic and practitioner of white magic, they meet the legendary sleuth and partner of Sherlock Holmes, Doctor John Watson. Together, the trio lands in New York City and encounters far more than they expected. Bent on revenge, the Ripper follows the Vampires trail to the dark streets and mansions of New Orleans, where the reigning Voodoo Queen and her followers protect the Master Vampire as a trusted ally to their dark secrets and way of life. Zombies, vampires and dark magic await the Ripper. Even with powerful friends at his side, he does not know if he will survive the days ahead. With Revenge powering him on, Jack the Ripper sweeps onto the dark streets of New Orleans with his razor in hand. He will slash his way through any opponent until his mission to free a soul held in purgatory is complete.
