

Naked in the Winter Wind (The Fairies Saga Book 1)

HAVE YOU EVER WANTED TO LIVE IN A DIFFERENT TIME, IN A DIFFERENT BODY, AND AS PART OF YOUR FAVORITE ROMANCE NOVEL? She awoke in a different time, in an unfamiliar body, and not knowing who she was. Find out how Evie got there in the first book of The Fairies Saga series. A mix of mystery, history, and fantasy, with a tad of romance, a dash of violence, and a pinch of humor. These characters will live in your head long after youve read the books. (common remark by readers) Imagine falling right into the middle of your favorite historical romance story...and getting a thinner, rejuvenated body at the same time. That might sound ideal, but dealing with cougars, creeps, and kidnappers isnt. Join 20th century-born Evie as she deals with the hardships of living in the backwoods or Revolutionary War era North Carolina while dealing with a severe case of AMNESIA, being ABANDONED by the man who claimed her as his wife, and ADOPTIONS, using nothing but her wit and grit, give or take a knife or two...and the smartphone that hitched a ride with her from the 21st century! THE FAIRIES SAGA ~ Time travelers: fairies, according to the auld folk, people who suddenly showed up in strange clothes, confused about where they were, and without friends or family. Fairies either kept quiet and adapted to their new time period or went insane. THIS IS THE COMPLETE EDITION OF THE THREE PREVIOUSLY RELEASED PARTS OF NAKED IN THE WINTER WIND (no longer available in digital form): AMNESIA: part one ABANDONED: part two ADOPTIONS: part three Also available: HAPENNY JENNY (novella) AYE, I AM A FAIRY DANCES NAKED LITTLE BEAR AND THE LADIES (novella) THE GREAT BIG FAIRY
