

The Game of Worlds (David Brins Out of Time)

In the year 2345, young heroes yanked from the 20th century and beyond must fight an enemy more skilled, cunning, and dangerous than they ever imagined. But these young heroes are the worlds only hope...Adam OConnor is no stranger to trouble. His most recent stunt--setting off firecrackers in a teachers car--has landed him a school suspension. But even Adam cant have predicted the brand of trouble that awaits him when hes yanked to 2345 to lead an historic meeting between humans and the warlike Klugu and Devlins. Will he display the grit that only a select few in his generation possess? Will he become the hero that he is destined to be?
