

## Flotilla of the Dead: Sovereign Spirit Saga #2

This is the second book of the Sovereign Spirit Saga. Picking up where Voyage of the Dead left off, follow the adventures of Scott, Carl, and other survivors of the zombie apocalypse as they attempt to defend a remnant of civilization. The crew and passengers of the Sovereign Spirit continue their mission to rescue other survivors, secure supplies for the growing Survival Flotilla, and search for the cause and cure to the virus that destroyed the world as they knew it. Book Length is 105,000 words. Is book #2 as good as #1 in the series? Yes.... Book #2 ends like a good series book should.... The plot and storyline lends itself easily to being a long and enjoyable series. -- Anthony Wessel reviews books for The Kindle Book Review
