

## Dawn of Dragons (Bitterwood Trilogy) (Volume 4)

Dawn of Dragons is a prequel to the Bitterwood Trilogy, but should be read after finishing the trilogy due to numerous spoilers regarding events in the later books.

Set 1000 years before the events of Bitterwood, Dawn of Dragon tells the story of the first dragon, Morningstar, as he escapes from captivity in the final days of the Human Age. It explains the origins of Atlantis, shows the beginnings of Hezekiah as a Bible-thumping, ax-wielding prophet, and explains how Jazz came to learn of Underspace. A must read for any fan of the Bitterwood Trilogy.
