

Dawn of the Singularity (The Singularity Saga) (Volume 1)

The singularity: the point in human history when we begin to enhance our own intelligence with the intelligent technology we are creating. As humanity merges with its machines, will we forget what it means to be human? Meet Haalee, the artificial intelligence charged with taking humanity on the road to the singularity. But will the future turn out the way she expects? Dawn of the Singularity is the intelligent, action-packed science fiction thriller you've been waiting for. From award-winning and best-selling sci-fi author, David Simpson, get ready for the mystery, the thrills, and the adventure of the future to come.
