

## Girl from the Stars Book 1: Daybreak (Volume 1)

Liora Day, half-human, half-mess with her and you'll die Damaclan, had been thrown onto a rough path at a very early age. But when she is broken out of a cage by Devren, the young captain of the SS Kratos, she is shown that perhaps humanity does have a heart. The Kratos is set on a mission to rescue fallen surveyors from the Revolutionaries, and Liora is given the choice to follow her Damaclan instincts, or trust Devren's dark eyes and captivating smile that promise an adventure unlike any she has ever experienced.
