

Daylight on Iron Mountain: Chung Kuo Book 2

CHANGE IS ON THE AIR: The generals of the Middle Kingdom await the decision of the emperor. The campaign to secure the border from China to Iraq has reached a strange impasse. Two blood enemies - Arabs & Jews - have united against their common cause. But with the lives of thousands at his whim, the exalted Tsao Chun, the Son of Heaven, cannot decide. Destroy the Middle East in one blinding flash? Or take another path? **BUT THE WAY IS UNCLEAR:** In the court of Tsao Chun, men of power have become smiling lackeys, whose graces conceal their fear, or their ambition. A man that can be trusted absolutely is a rare thing. And so, with his family held hostage by the empire, General Jiang Lei finds himself appointed to a special task: the orchestration of the last great war against the West. The total dominion of America. **WAR APPROACHES:** But life in the world of levels continues. No hint of war, or want, or discontent can infiltrate the oppressive, ordered society that replaces the world Jake Reed once knew. Since the first airships rolled over the horizon, nothing has been the same. His new life means new thinking, new customs, a new way of behaving, & with his every move scrutinized, Jake can only serve the bureaucracy of new China. But he is not the only citizen who feels discontent with the anodyne new order.
