

Texas Gardening the Natural Way: The Complete Handbook

Compost your old complete gardening guide. There's a new way of gardening in Texas that's healthier for people and the environment, more effective at growing vigorous plants and reducing pests, cheaper to maintain, and just more fun. It's Howard Garrett's The Natural Way organic gardening program, and it's all here in Texas Gardening the Natural Way. This book is the first complete, state-of-the-art organic gardening handbook for Texas. Using Howard Garrett's new mainstream gardening techniques, Texas Gardening the Natural Way presents a total gardening program:

How to plan, plant, and maintain beautiful landscapes without using chemical fertilizers and toxic pesticides. Gardening fundamentals: soils, landscape design, planting techniques, and maintenance practices. Includes more native and adaptable varieties of garden and landscape plants than any other guide on the market.
